START LINE

The starting line will be established between a staff displaying an Orange flag on the Race Committee boat flying the RC flag and the starting (pin-end) mark or a RC-flagged RIB displaying an Orange flag.

In order to set the starting line as close as possible to the wind direction, the Race Committee may use a Windward Offset mark. The Race Committee will signal, before the warning signal, whether this mark shall be left to starboard by displaying a Green flag or to port by displaying a Red flag.

! Due to geographical conditions the RC boat may take position either starboard or port.

If a Windward Offset mark is in use:

- **GREEN flag displayed** / 1 – OFFSET MARK TO **STARBOARD**
- **RED flag displayed** / 1 – OFFSET MARK TO **PORT**

FINISH LINE

The finishing line will be established between a staff displaying a **Blue flag** on the Race Committee boat flying the RC flag and the finishing mark.
